Hello Gardener,

Thank you for your interest in the UCCE Calaveras County Master Gardener training program. I'm writing to invite you to an informational meeting being held later this month. You're receiving this invitation in response to the contact information you provided us.

Please join us on **Wednesday afternoon, October 22, from 1:00 p.m. to 3:00 p.m. at the Tuolumne County Senior Center, 540 Greenley Road, in Sonora.** We'll talk about what the Master Gardener program is, what Master Gardeners do, and some of the projects you can expect to join. You'll receive information about the training class topics and materials. Program representatives will describe your relationship to the University of California and expectations for Master Gardener volunteers. If you have not yet received an application you may complete one at the meeting.

If you are able to join us on October 22, from 1-3, please RSVP by calling 754-6477. By the way, this informational meeting is open to the public, so feel free to invite your friends who are interested in becoming Master Gardeners.

I am looking forward to meeting you on October 22!
